In the Interdistrict Public School Choice Program
For the 2023-2024 School Year**

Date: _____

To: The Superintendent/Chief School Administrator of Student's Resident District:

As the Parent/Legal Guardian of the student named below, I am submitting this written notification of my student's intent to enroll in the Interdistrict Public School Choice Program in September **2023**. If my child is accepted into a choice program, the Choice district will notify my child's resident district of such by **Jan. 12, 2023** or when enrollment is confirmed. *This form requires no response from the resident district, but parents should request a signed and dated receipt for confirmation of submission.*

Notes to Resident District

The purpose of this form is to give the resident district advance notice of the student's intent to apply to a Choice district for enrollment in the coming academic year. Subsequently, if the student is accepted into a Choice program, the Choice district must notify the resident district by **January 12, 2023** of the Choice students who will be enrolling in the coming academic year. There may be cases when the choice district accepts late choice student applications. In these cases, the resident district will be notified as soon as the Choice student confirms enrollment. Transportation of Choice students will be the responsibility of the *resident district*, provided the student meets the eligibility requirements of state law and the Choice district school is within 20 miles of the student's residence.

Notes to Parents Regarding Transportation

Transportation of Choice students is not guaranteed. Your student must meet the eligibility requirements and the school must be within 20 miles of your student's residence. If the cost of transportation exceeds the maximum amount established in the Annual Appropriations Act, the parent/guardian will be given aid in lieu of transportation and, in some cases, the option of paying the additional amount over the maximum to receive the transportation. By **Aug. 1, 2023**, parents should receive notification of their transportation options from the resident district. For more information, read the [Transportation Procedures](#) for choice students.
